

# Krishnan Suthanthiran, Founder/President of TeamBest Global Companies Invitation to AAPM 2022 Annual Meeting Attendees

WASHINGTON, DC, USA, July 5, 2022  
/EINPresswire.com/ -- The 64th Annual Meeting of the American Association of Physicists in Medicine (AAPM), will be held at the Washington, DC Convention Center from July 10-14, 2022. TeamBest Global (TBG) Companies and [Best Cure Foundation](#) (BCF) will have on display, all of their technologies for cancer diagnosis/treatment and cardiac In-Stent Restenosis of Coronary Arteries Treatment and other technologies—low, medium, high and the highest of high—in six large island booths 4024, 4030, 4036, 5025, 5031 and 5037.

Approximately 60 TBG and BCF global staff/advisors/consultants will be present during exhibit hours July 10-13 at the AAPM exhibits. Mr. Suthanthiran is celebrating his 50th anniversary of his career in Oncology and Medicine, which began in July of 1972 at Freedmen's Hospital (now Howard University Hospital) in Washington, DC.

Mr. Suthanthiran's TBG Companies products/technologies are used in several thousand medical centers globally and have been the pioneers and inventors of many of the technologies/treatment modalities used in radiation therapy and cardiovascular diseases for nearly seven decades.

In 1978, Mr. Suthanthiran exhibited in AAPM's premiere annual meeting held in St. Paul, Minnesota. He has attended/exhibited in every AAPM annual meeting since then, in addition to supporting/exhibiting in many of the regional AAPM conferences. His first attendance at a medical conference with a poster presentation was in November of 1972 at the Radiological
